

Wayne County Business Council's  
**Legislative Breakfast Series**

**No Qualified Candidates  
Workforce Crisis and Solutions**

**Featured organizations FAME, FLCC, WLWIB, BOCES, WIRED, NYS  
Department of Labor**

Hear a collection of interest groups from Industry, Government and Education who are engaged in addressing workforce quality supply and development issues.

This event will be an opportunity to understand what each group does and to hear their perspective on the principal challenges of matching workforce candidates to the current and future requirements of area employers.

This event will also be an opportunity to learn more about the support and assistance available when workforce issues threaten to constrain business expansion, competitiveness and innovation.

Find out what is currently available in the areas of:

\* Training Services \* Training Grants \* Funding for Enhanced Skills Development  
associated with new and innovative business opportunities \*

**Friday, June 20, 2008**
